

Chicken Noodle Soup

You can make this easy or hard. I'll give you the easy way.

Ingredients:

1 can chicken and broth	1/2 onion (chopped)
6 cups water	2 ribs celery (diced)
2 bouillon cubes	1 cup carrots (sliced)
Salt and pepper to taste	1 tbsp. parsley flakes
	2 handfuls Kluski noodles

Procedure:

Combine ingredients and bring to a boil, then add the Klusky Noodles. These are the best for soups. They are big, flat, homemade looking noodles. Simmer until noodles are soft. I like to throw in a can of green beans too.

Notes :

This is the best if you don't feel good on a winter day. It's a scientific fact that chicken soup is good for colds and flu. Trust your mother!
